DR. WILLIAM E. GANDO, CESO VI
Schools Division Superintendent
Sorsogon Province

Sir:

The Philippine Professional Linkage from Various Disciplines, Inc., a non-government organization which was founded in June 8, 2011 and registered at SEC Baguio Branch has been in operation in 2011 up to present. This organization shall I say is created because the founding president, a retired professor at the Tarlac State University in 2015 knows the plight of teachers that they could hardly enroll in their post graduate studies due to their meager salary which is not enough to finance their tuition and the family expenses. So, Philproflink has been born to help teachers update their knowledge in line with the changing needs of the educational system.

I, Remedios Molina-Esperon, am the founding president has to get speakers that are of high caliber so that teachers who attend seminars / webinars will not regret but instead satisfied.

In line with this, may I ask you to upload in your division and please allow your teachers to attend in the international seminar that philproflink is going to hold in Sorsogon City this February 23 – 25, 2024 at Sorsogon Cultural Center for the Arts, City Hall Compound, Cabid-an Sorsogon City.

Philproflink is SEC registered, PRC accredited, NEAP approved and is also accredited by Royal Institution of Singapore and is also affiliated by Connection Point Educational Consultant owned by Dr. Rodney Paul Davis, a professor at Troy University, Dothan, Alabama, USA.
