DIVISION MEMORANDUM

No. 181 s. 2024

**SUBMISSION OF REASONS FOR LOW ENROLLMENT OF SCHOOLS FOR
SCHOOL YEAR 2024-2025**

TO: Assistant Schools Division Superintendent
Chief Education Supervisors, CID and SGOD
Education Program Supervisors and Division Coordinators
Public Schools District Supervisors and OIC-PSDSs
Public Elementary School Heads
Public Secondary School Heads
All others concerned

1. Aligned with the Intermediate Outcome No. 1 of the Basic Education Development Plan 2030, provided in DepEd Order No. 24, series 2022, this Office is actively engaging in efforts to ensure that all school-aged children have access to quality, total holistic education, under the Division Change Plan: THE VILLAGE INC (Total Holistic Education through Vibrant, Integrated Linkages with Leaderships, Alliances, Groups, and Entities to Individually Nurture Children).

2. Based on the enrollment monitoring of the Quick Count Facility, a significant decrease in enrollment for public schools is evident. However, the decrease in enrollment is not proportional and significantly lower than the projected enrollment, to wit:

Public Schools Enrollment	Kindergarten	Elementary	Junior HS	Senior HS	Total
Previous SY 2023-2024	12,745	88,385	49,107	25,477	175,714
Projected SY 2024-2025	12,386	86,545	48,594	23,109	170,634
Quick Count SY 2024-2025	10,183	80,215	46,689	22,207	159,294

Notes:

- Kindergarten projections were done through statistical straight line (SSL) method.
- Elementary, JHS, and SHS projections were done using progression ratios.
- Quick Count data as of August 27, 2024.
- Enrollment data and projections do not include non-graded SNED learners.
- Projected enrollment is **not the target** enrollment

3. Additionally, this Office noted a decrease in enrollment for 417 out of the 531 public elementary and secondary schools compared to the previous school year. The list of these schools is enclosed in this memorandum.

4. In view of the big discrepancies between the previous SY, projected, and Quick Count enrollment data sets, this Office is requiring the schools included in the list to submit their top 3 reasons as well as a detailed explanation on the decrease in enrollment in their schools. These schools are required to submit their responses through an online data gathering facility which can be accessed through the link: https://bit.ly/Dec_Enrollment2024 or by scanning the QR Code shown.

5. The deadline for submission is on September 6, 2024.

6. Moreover, this Office is reiterating the importance of reporting accurately the enrollment data in any information system of the agency. Schools may update their enrollment quick count data through the links provided in the Facebook messenger groups of school heads and PSDS/ OIC-PSDSs.

7. Deliberate non-reporting of accurate data constitutes dishonesty, punishable by dismissal at first offense, pursuant to applicable CSC Memorandum Circular and DepEd Order No. 49, s. 2006.

8. Immediate & widest dissemination and compliance of this Memorandum are directed.
