October 25, 2024

To: Public Schools District Supervisors/ OIC PSDSs
Public and Private Elementary and Secondary School Heads
School Paper Advisers
All Others Concerned

1. In the light of the heavy flooding/ damage to schools wrought by Typhoon Kristine in the province, the conduct of the **Division Boot Camp on Campus Journalism is reset to a later date**. This is to give ample time for the host school/ district and other schools to ensure safe, clean and hazard-free school and community climate.
2. The new schedule will be announced in a separate issuance.
3. Meantime, districts/ municipalities are advised to identify participants giving premium to the following considerations:
 - a. The core group is composed of 12 school paper advisers (6 elementary and 6 secondary) from both public and private schools, with five or more years of experience in their school's publication.
 - b. These advisers must be committed to undergo rigorous training and are expected to play a pivotal role in enhancing campus journalism within their districts or municipalities.
4. Teachers handling Journalism and the Special Program in Journalism (SPJ) Coordinators of the 14 schools offering SPJ are also expected to attend the training.
5. All participants are expected to bring a laptop, extension wire, pocket wifi, and DSLR camera (at least one per team) to ensure the preparation and production of school publication.
6. Kindly forward the list of identified participants (name/ school) to the Division Coordinators for Campus Journalism on or before October 30, 2024.
7. Likewise, a meeting of the Technical Working Group and identified Resource Persons is set on October 31, 2024, 8:30 AM at the QMS Center, Division Office, Balogo, Sorsogon City.
8. For information, guidance, and compliance.
